

Rob Curnock possesses the knowledge and abilities that have been absent in Washington for a long time. He is dedicated to the Conservative Principles that our country was founded upon and is capable of a Reagan-like impact on the 17th Congressional District and America. I urge you to join me in supporting Rob Curnock.

If you believe in the Founding Fathers' interpretation of the Constitution, Conservative Principles, "Liberty and Justice for All" and further more believe in "One Nation under God", then your vote should be for Rob Curnock.
